A NOTE FROM YOUR RUNNER

HI!!

Thank you so much for all the love and support throughout this journey! Thank you for listening to me complain about every long run, every knee pain, every illness, literally just about this marathon in general. Also, a BIG thank you to everyone who donated to help me reach my fundraising goal!! I feel so lucky to be surrounded by friends and family who are in my corner and who have flown out to be here to support me! I couldn't do it without you guys and I'm so excited to celebrate with you all after the race!

Whether you've encouraged me at races, cheered on long runs, or are making time to come into the city on race day, it means the world to me!!

Now let's go run a marathon!

LOVE, RIDS

SPECTATING TIPS

MAKE A PLAN, THEN HAVE FUN

LET OTHERS KNOW I'M COMING

At busy barricades, politely let people nearby know when you expect me to pass so they can help make space. People are really nice and will let you to the front to see me if you let them know I'm coming.

LET ME KNOW WHERE YOU'LL BE

Once you choose your route, text me the exact cross streets and a landmark to look for. Be sure to include if you are on Runners right or left so I know which side of the street to be on.

Highly recommend to be at miles 10-12 (Williamsburg), 17-18 (Upper East Side 1st Ave), 22-24 (Upper East Side 5th Ave)

SEND YOUR LOCATION / LANDMARK

My phone may be on Do Not Disturb, but I will check periodically for updates from everyone

HAVE FUN!

Bring your loudest cheers and a sign that's easy to spot.
